St. Petersburg, FL 33709

The National Association of Barber Boards of America is celebrating its 85<sup>th</sup> Anniversary. The number of States that are sending delegates has decreased in recent years. The current economy has forced states to restrict out of state travel. The cost of maintaining the National Association of Barber Boards of America has increased and revenue has decreased. At the 2010 conference it was decided that the National Association of Barber Boards of America web-site could be used to generate additional revenue. The National Association of Barber Boards of America has in the past placed all vendors' names on its web-site without charge. We are now asking you to help by paying an annual fee of \$300.00. This fee would allow your company or organization to place your logo on our web-site. Then, any user could click on your logo and enter your web-site. All vendors' logos will be placed in alphabetical order on a special vendor's page. This special vendors' page is dedicated to our professional vendors whose multiple services help us maintain our high level of professionalism. Your continued support is greatly appreciated. The National Association of Barber Boards of America's "theme" for 2011 is "Forward Together". Please help us accomplish our mission and be a part of the team that helps regulate over 200,000 barbers and 75,000 barber shops nationally.

Please mail your annual fees payable to National Association of Barber Boards of America to Charles Kirkpatrick, 2708 Pine St., Arkadelphia, AR 71923 Phone #870-210-1500
