TO THE BOARD"

DC Board of Barber and Cosmetology

"2020 Vision"

Welcome to the National Association of Barber Boards of America (NABBA). As a District of Columbia barber board member and a licensed barber for 32 years, it is my honor and privilege to serve as your 94th President of NABBA.

It is my goal to build strong relationships and strengthen the barbering community through communication among all 50 states through advanced technological platforms and effective social media communications. Effective communication builds a strong and lasting trust that will allow the barbering industry to grow and thrive. There is a great opportunity to strengthen participation in our industry. To maximize this opportunity I will work closely with state barber boards across the country to develop strategies that will help strengthen, grow and maximize representation in our profession. I believe in coming together and working as one accord to make our industry stronger.

We look forward to seeing you at the NABBA 94th Annual Conference in Washington, DC, September 20th-24th 2020. Enhancing our vision in 2020 means coming together to take our great profession to new levels.

Sincerely,

Mark C. Wills,
2019-2020 President
